# Good News on the Move

## Faith in Action:

### FROM CLASSROOM TO SUMMER FIELDS

As our after-school Good News Clubs begin to wrap up for the year, we are so thankful for the many children who have gathered week and monthly to hear the truth of God's Word. It has been a season full of growth, joy, and Gospel impact—and we are praising God for every opportunity to share the Good News!

At the same time, we are already seeing glimpses of what's ahead this summer. In the photo above, one of our CYIA teens is leading a group of children at a Vacation Bible School we were invited to help with out of town last summer. Watching our teens step into leadership, confidently teach, and connect with kids is such an encouragement. God is already at work preparing them for an even greater impact in the months ahead.

Summer ministry is right around the corner, and we are excited for all that's to come through 5-Day Clubs and outreach opportunities across our communities. Please join us in praying—for the children who will attend, for the teens who will be trained and sent out, and for lives to be changed through the Gospel. The Training in Levelland is June 15th-20th.

We're finishing strong this spring and stepping into a summer full of anticipation & witnessing!

## -Volunteer Spotlight-

This May, we are honored to highlight **Stephanie Sanchez**, a faithful Good News Club volunteer who has been serving for about four years. Stephanie's heart for ministry shines through her dedication and love for the children she serves each week at Margaret Wills and Emerson Elementary. One of Stephanie's favorite parts of club is seeing the children worship through song and dance. Her joy and energy during this time create an exciting and welcoming environment where kids can engage, have fun, and hide God's Word in their hearts.

When asked why she serves and what she would say to encourage others, Stephanie shared, "I love serving and telling the missionary story. The kids really like hearing about the missionaries and the gospel can reach others." Her passion for sharing how God is at work around the world helps children see that the message of the Gospel is for everyone, everywhere. We are so thankful for Stephanie's faithful service and the impact she continues to make in the lives of children through Good News Club!
