

CYIA TEENS TAKE THE LEAD!

Summer Edition:

This summer, 5 of 7 of Christian Youth In Action (CYIA) teens completed their two week-long training. Equipped with Gospel tools and practical teaching skills, they stepped boldly into ministry. From sharing Bible lessons to leading songs and games, their enthusiasm brought energy and joy to every club. They spent a week training at South Plains College and another helping CEF of Big Country. There were 11 5-day clubs with 188 total children. Seven made a profession of Faith. 25 Bibles were given.

EVERY CHILD. EVERY NATION. EVERY DAY.

After-school Clubs: A Look Back at the Year

Across the Panhandle, Clubs met weekly in schools and communities, giving children the chance to hear and respond to the Gospel. Over the course of the school year, 11 clubs were held, reaching 374 children with the message of Christ. Out of those, 84 made professions of faith, thanks to the dedication of 58 faithful volunteers who served week after week.

For many children, club was the highlight of their week. Parents expressed gratitude, teachers saw growth, and most importantly—lives were changed for eternity

This year, we had 5 monthly Party Clubs in the schools, with 225 children hearing the Gospel as a result of this ministry! Out of these children, 12 received Christ as their Savior!

What's the News? Camp Good News.

Camp Good News: A Week to Remember

This year's Camp in Oklahoma welcomed 54 campers. Each day was filled with fun activities, friendships, and most importantly, Bible truths that pointed children to Jesus. Decisions for Christ were made, and lives were impacted for eternity. 5 chose to trust Jesus as Savior.

By the Numbers

- 46 Clubs of all kind were held
- 64 Volunteers participated in teaching these clubs
- 1,367 Children heard the Gospel of Jesus Christ
- 107 Children received Christ as their Savior!

The story of Child Evangelism Fellowship in the Panhandle is still being written. Looking ahead, our vision is bold, our prayers are big, and our trust is in the Lord and creator of the universe.

The horizon is bright.

With every club launched, every volunteer trained, and every child reached, we move closer to the day when all the children of the Panhandle have the opportunity to know and follow Christ. Together, with your prayers and support, we step forward in faith, trusting God to turn these hopes into reality.

Back Page Feature: A Bright Future for CEF

CEF WTX Panhandle What's to Come Next?

In the coming years, we believe God is calling us to expand our reach and strengthen our impact. By 2026, our prayer is to share the Gospel with 2,000 children across the Panhandle. We are asking the Lord to open doors for at least two new after-school Good News Clubs and to see 15 Five-Day Clubs® conducted by CYIA teens, who will also be equipped through training at South Plains College. We also hope to see growth in our seasonal ministries, adding two new Christmas Party Clubs and two new Easter Party Clubs by the end of 2026.

Looking further down the road, our vision for 2028 is even greater: 25 Good News Clubs shining brightly across our region and 25 Five-Day Clubs® spreading the Gospel into neighborhoods and communities. We know this will only be possible through faithful volunteers, passionate youth leaders and Donors with God's continued provision.

What About the Reaching the Youth?

One of our deepest prayers for the near future is to develop a Junior Youth Challenge (JYC) Club — and see it planted in at least another location within our chapter. Teaching the JYC the "Go and Tell Series" to implement children reaching children. Imagine young children not only receiving the Gospel, but also reaching the Pre-teens in Middle Schools.

We are also seeking God's leading in potential collaborations with other ministries, believing that working together can create even more opportunities for children to hear about Jesus. And, as we move forward, we are preparing for a very special Vision Dinner in Amarillo, TX, a fundraiser that will allow us to share the future direction of CEF Panhandle with friends, supporters, and new partners.
