***“As for you, always be
sober-minded, endure
suffering, do the work of
an evangelist, fulfill your
ministry”***

2 Timothy 4:5 ESV

“I talked to two parents who picked kids up early to let them know how blessed we are to have their child in club. They each explained how Good News Club is the highlight of their week and would never miss unless a necessity.”

— Bushland Good News Club Teacher

Stories like these remind us of the eternal impact these clubs are having on children and families. Praise God!

Looking ahead, we are excited about our **Back-to-School Fundraiser Breakfast** at Applebee's on **October 11th at 8 am**. For just \$10, you'll enjoy endless pancakes while helping us raise funds to reach more boys and girls with the Good News of Jesus. We'd love to see you there and encourage you to invite a friend!

Please continue to pray with us for the community of Fritch. Our training there was postponed, but we are asking God to open doors with the school district and to stir the hearts of those who would have a desire to reach children through Good News Clubs. We believe He is already at work preparing the way.

As we step into October, we are so thankful for all the ways God is at work through CEF here in the Panhandle.

On September 27th, we gathered for training at Arden Road Baptist Church. What a joy it was to see not only the faithful women who have served faithfully in Good News Clubs for years, but also young men who are now taking an interest in reaching children with the Gospel. Their willingness to step in and serve was such an encouragement and a reminder that God is raising up workers for the harvest!
